

1) Lightly apply base color leaving a white area.
2) Blend with a Lyra Splendor Blender after the 2nd color is applied, keeping the white area, but very lightly adding some color.

3) Add 3rd color and blend

4) Add 4th color and blend to deepen the shadow area.

Add a white highlight with a gel pen (Sakura Gelly Roll).

Doodle around with a Zig Writer or Micron pen. Add veins with the micron or other similar colored marker as gem.
